

**In consideration for the agreement of The LANG Companies, Inc. to review my art and/or new product idea submission, I, \_\_\_\_\_, agree to and acknowledge the following:**

1. I understand The LANG Companies, Inc. caution in permitting me to disclose my ideas, suggestions, inventions, designs, sketches, models or other materials (collectively "IDEAS") because The LANG Companies, Inc. has developed or has had suggested to it many ideas for products, and there is the possibility that some of such ideas are the same as or similar to those which I might disclose to The LANG Companies, Inc.
2. My disclosure to The LANG Companies, Inc. is purely voluntary.
3. Although The LANG Companies, Inc. intends to deal with me fairly in connection with my disclosure, my submission of IDEAS to The LANG Companies, Inc. is NOT made in confidence, and does not create any confidential relationship (express, assumed, implied or otherwise) with The LANG Companies, Inc.
4. The LANG Companies, Inc. is not undertaking any kind of obligation (express, assumed, implied or otherwise) by accepting and reviewing this disclosure, and I understand that no obligation is assumed by The LANG Companies, Inc. unless and until a formal written contract is agreed to and entered in to, and then The LANG Companies, Inc. obligation shall be only that which is expressly stated in the formal written contract.
5. The LANG Companies, Inc. willingness to review these ideas is not an admission by The LANG Companies, Inc. of novelty, priority, originality and does not impair The LANG Companies, Inc. right to contest existing or future patents or copyrights relating to the IDEAS.
6. I represent and warrant that I have the right to disclose the IDEAS and to make this agreement.
7. The LANG Companies, Inc. cannot and will not be bound in any manner by ideas of a general nature which are not in such form when disclosed that they can be protected under the patent or copyright statutes of the United States. I therefore agree that The LANG Companies, Inc. will assume no liability in reviewing the IDEAS, and I hereby release The LANG Companies, Inc. from liability in connection with such receipt and disclosure, except as to liability that may accrue under any valid intellectual property rights that I now or hereafter own or control.
8. The LANG Companies, Inc. will give my submission only such consideration as it merits in The LANG Companies, Inc. sole judgment.
9. The foregoing terms and conditions shall apply to any further information or materials that I elect to submit.
